

Discover the Wonders of Dandelion to Cure Hemorrhoids

At some point in your life, **hemorrhoids** will be a common condition that will affect most probably affect you. **Hemorrhoids** or **piles** are seen as a an inflammation of the veins found in the anus and the rectum. They can be very uncomfortable. The use of dandelion can be an effective way to be able to cure hemorrhoids. Here's how:

“ Before any form of treatment may be administered, will still be best to be checked by a health care provider first. While piles are considered to be very common as well as are typically benign, they also pose certain symptoms in which are similar to other significant health conditions such as anal fissures, fistulas, abscesses and rectal cancer. It is essential to have a health practitioner to look at you first so that these conditions may be ruled out and then after that, you may decide to cure hemorrhoids naturally.

One of the Common Causes of Hemorrhoids is Constipation

Constipation brings about too much pushing with the bowels, resulting to hemorrhoids. To cure constipation, drink dandelion tea during the morning and throughout the afternoon. Dandelion is an all-natural laxative that aids in the relief of constipation. This is done by getting rid of the need for straining during defecating that leads to the formation of hemorrhoids. High blood pressure is yet another common cause of piles or hemorrhoids. To treat hypertension, dandelion can also be used.

- Dandelion also acts as a natural diuretic that aids in the retention of smooth, a common factor that influences high blood pressure.
- To maintain general digestive system health, add dandelion leaves to be able to your meals.
- Dandelion leaves may either be consumed raw or cooked.
- A convenient method to incorporate them into your meals is to chop them up and add them to a vegetable soup.
- Cure hemorrhoids by creating a dandelion tonic wine.
- This can be made by soaking about a cup of dandelion flowers in white wine for about 2 weeks in an airtight container.
- Strain the dandelions and then with sugar, sweeten the concoction according to taste.
- You can also use honey as an alternative.
- The dandelion tonic wine is best served chilled.
- To be able to counteract the bitter taste of the dandelion, work with a white wine with a citrus flavour.
